## TERMS OF SERVICE Updated 10/05/2007

All website, logo, or other design services provided by **APOSTOLIC VISION DESIGN SERVICES** are subject to the following terms and conditions.

### Acceptance

Please note that by submitting your down payment for services you are agreeing to all of our terms of service as written here. **APOSTOLIC VISION DESIGN SERVICES** reserves the right to change or update these terms at any time without notice.

### Charges & Fees

**APOSTOLIC VISION DESIGN SERVICES** requires a 2/3 down payment on services before any work will be started. The remaining 1/3 is due upon completion of services, and before the site goes live. If final payment is not received within 30 days of the completion of service, additional fees may be added and other action may be taken. Any check payments that do not clear will be charged a \$50 fee and other action may be taken. Payments will be handled thru our parent company, connect-me.com.

### Web Site Design Credit

**APOSTOLIC VISION DESIGN SERVICES** works hard to create custom websites for a wide range of clients. In order to continue doing what we love, we need a little help! Having our website link on our clients' sites is a great way to get the word out and attract new clients our way. We take great pride in every site we create, and feel that having our name on the sites we design will also deter others from copying our work and marketing it as their own. Therefore, we reserve the right to place a link to our site on every site that we create. If you would prefer to not have our visible link on your site, other agreeable terms can be discussed.

### Liability

Copying images, a text or design layout from other sites is not condoned by **APOSTOLIC VISION DESIGN SERVICES**. Under NO circumstances will **APOSTOLIC VISION DESIGN SERVICES** and its owners, partners or contractors be held liable for content on a client website.

The client will pay any and all legal expenses that are a result of lawsuit against **APOSTOLIC VISION DESIGN SERVICES** for graphics, images and/or content which is provided by and used by the client.

### Termination of Services

Please submit a request for termination of services to **APOSTOLIC VISION DESIGN SERVICES** in writing. Your request will be reviewed and our response delivered to you in a timely manner. **APOSTOLIC VISION DESIGN SERVICES** reserves the right to terminate a contract with a client at any time for any reason.

If **APOSTOLIC VISION DESIGN SERVICES** decides to end the contract and services, a suitable refund arrangement will be made. Refunds will be processed within 30 days of the date of termination of contract.

### Refunds

Website design is a combination of two things- the web designer's time, and the finished product. **APOSTOLIC VISION DESIGN SERVICES** requires a deposit of 2/3 of the agreed price on all web design projects before we begin, this ensures that should you, the client, decide to change your mind or move to another country, or disappear midway through the project, that we are still paid for the time we have put into creating your website. Therefore, there are **NO** refunds of deposits. Once a site has been completed and live, there are no refunds, period. Please contact us if you have any questions regarding our refund policy.

There are no refunds on hosting if it is secured by **APOSTOLIC VISION DESIGN SERVICES**. Please contact us with any questions that you have about hosting and we will be happy to answer them.

**APOSTOLIC VISION DESIGN SERVICES** reserves the right to update or change these terms of service at any time with out prior notice.
